Nancy's Message

Executive Director

As I reflect on another year at Shifra Homes, my heart is filled with gratitude.

When I first envisioned Shifra Homes, I wanted it to be more than a shelter - a real home where a young mother could feel safe, heard, respected, valued, and supported. That vision continues to guide us today.

The young women we serve often experience circumstances that no one should have to endure. Yet, time and time again, we witness incredible courage and resilience. We see mothers learn new skills, rebuild their confidence, pursue education and employment, strengthen their parenting abilities, and begin to envision a future they once believed was impossible.

This past year has also reminded us that we cannot do this work alone. The challenges these young mothers face continues to grow, as well as the need for safe transitional housing and comprehensive support remains significant. Our work requires compassion, commitment, collaboration, and a community that believes every mother and child deserves a chance at a better future.

I am deeply grateful to our Board of Directors for their leadership; to our dedicated staff for the compassion and professionalism they bring every day; to our volunteers and service providers for their generosity of time and expertise; and to the community partners who stand beside us.

Most of all, thank you to our donors and supporters. Your generosity makes it possible for Shifra Homes to offer not just a roof, but a home, a community, and a pathway toward independence.

Every contribution matters. Every volunteer hour matters. Every encouraging word matters. Every partnership strengthens our ability to serve. Together we are changing lives - one mother, one baby, one family at a time.

I am incredibly proud of what we've accomplished together, and I am even more optimistic about what lies ahead. There is still much work to do, but with the continued support of our community, we can keep offering hope, dignity, and safety to the young mothers and babies who need us most.

On behalf of Shifra Homes, our mothers, and their babies, thank you for believing in our work and for being part of the Shifra family.

With heartfelt gratitude,
Nancy Romic
Executive Director
